3. Annual compliance calendar

The recurring obligations most small private companies meet each year. Exact dates depend on your financial year-end and on notices issued by the authorities.

Obligation	When	Authority
ASIC annual review	Each year on the review date; fee due within 2 months	ASIC
Business Activity Statement (BAS)	Quarterly or monthly, if GST-registered	ATO
Company tax return	Due date depends on the lodgement program	ATO
Superannuation guarantee	Paid with each payday from 1 July 2026	ATO
Single Touch Payroll	Each pay event	ATO

4. Are you an SME?

The ATO treats a business with aggregated turnover under A$10 million as a small business entity. Under the Corporations Act, a small proprietary company meets two of three tests: consolidated revenue under A$50 million, gross assets under A$25 million and fewer than 100 employees.
