Startup toolkit

British Virgin Islands

Setting up and maintaining a BVI Business Company.

Inside: the company at a glance · your first 90 days · the annual compliance calendar · are you an SME? · the documents to gather · how Ascentium helps

Mock toolkit prepared for a concept prototype. Not legal, tax or financial advice.
Information as at November 2026. Verify figures with the relevant authority before relying on them.

1. Your company at a glance

Item	What applies
Entity	BVI Business Company
Registry	BVI Registry of Corporate Affairs, through a licensed registered agent
Tax	No corporate income tax on BVI companies
Economic substance	Companies carrying on relevant activities must meet and report on substance
Records	Registers of members and directors, and beneficial ownership information held by the registered agent

2. Your first 90 days

Tick these off in order. Your Ascentium dashboard tracks each one and Ascentia will remind you before anything falls due.

- ☐ **Choose a registered agent**
  All filings go through a licensed agent.
- ☐ **Incorporate**
  File the memorandum and articles.
- ☐ **Appoint directors**
  And file the register of directors.
- ☐ **Provide beneficial ownership details**
  To the registered agent.
- ☐ **Open a bank account**
  Often outside the BVI; allow for enhanced due diligence.

3. Annual compliance calendar

The recurring obligations most small private companies meet each year. Exact dates depend on your financial year-end and on notices issued by the authorities.

Obligation	When	Authority
Annual government fee	By 31 May or 30 November, depending on incorporation date	Registry of Corporate Affairs
Annual financial return	To the registered agent within 9 months of year-end	Registered agent
Economic substance report	Annually, within 6 months of the period end	International Tax Authority
Register updates	Within the deadline after any change	Registered agent

4. Are you an SME?

There is no statutory SME definition in the BVI. Ascentium applies its platform test: fewer than 50 staff and group revenue up to US$10 million.

Ascentium SME pricing

If your company, assessed together with any linked group companies, meets the official SME definition above, you qualify for Ascentium SME fares and the AI platform. Larger groups are served by Ascentium for Enterprise at ascentium.com.

5. Documents to gather

- ☐ **Passport and proof of address for directors and beneficial owners**
- ☐ **Source of funds and wealth information**
- ☐ **Proposed company name**
- ☐ **Description of activities**
- ☐ **Professional or bank reference, where requested**
