Startup toolkit

Cayman Islands

Setting up and maintaining a Cayman Islands exempted company.

Inside: the company at a glance · your first 90 days · the annual compliance calendar · are you an SME? · the documents to gather · how Ascentium helps

Mock toolkit prepared for a concept prototype. Not legal, tax or financial advice.
Information as at November 2026. Verify figures with the relevant authority before relying on them.

1. Your company at a glance

Item	What applies
Entity	Exempted company
Registry	Cayman Islands General Registry, through a licensed corporate service provider
Tax	No corporate income tax
Economic substance	Notification each year, and a report where you carry on a relevant activity
Beneficial owners	A beneficial ownership register maintained through your corporate service provider

2. Your first 90 days

Tick these off in order. Your Ascentium dashboard tracks each one and Ascentia will remind you before anything falls due.

- ☐ **Choose a corporate service provider**
  To act as registered office.
- ☐ **Incorporate**
  File the memorandum and articles.
- ☐ **Appoint directors**
  And keep the register of directors.
- ☐ **Set up the beneficial ownership register**
  Through your service provider.
- ☐ **Open a bank account**
  Allow for enhanced due diligence.

3. Annual compliance calendar

The recurring obligations most small private companies meet each year. Exact dates depend on your financial year-end and on notices issued by the authorities.

Obligation	When	Authority
Annual return and fee	In January each year	General Registry
Economic substance notification	With the annual return	Tax Information Authority
Economic substance report	Within 12 months of year-end, if required	Tax Information Authority
Register updates	Within the deadline after any change	General Registry

4. Are you an SME?

There is no statutory SME definition in the Cayman Islands. Ascentium applies its platform test: fewer than 50 staff and group revenue up to US$10 million.

Ascentium SME pricing

If your company, assessed together with any linked group companies, meets the official SME definition above, you qualify for Ascentium SME fares and the AI platform. Larger groups are served by Ascentium for Enterprise at ascentium.com.

5. Documents to gather

- ☐ **Passport and proof of address for directors and beneficial owners**
- ☐ **Source of funds and wealth information**
- ☐ **Proposed company name**
- ☐ **Description of activities**
- ☐ **Professional or bank reference, where requested**
