1. Your company at a glance

Registered agent	Required, and holds the company's records
Tax	Nevis entities doing no business locally are generally outside local income tax; confirm your position
Management	Member-managed or manager-managed under the operating agreement

2. Your first 90 days

Tick these off in order. Your Ascentium dashboard tracks each one and Ascentia will remind you before anything falls due.

  To file and keep records.
- ☐ **File articles of organisation**
  With the Nevis registry.

3. Annual compliance calendar

The recurring obligations most small private companies meet each year. Exact dates depend on your financial year-end and on notices issued by the authorities.

Records with the registered agent	Kept current throughout the year	Registered agent
Beneficial ownership updates	After any change	Registered agent

4. Are you an SME?

There is no statutory SME definition in Saint Kitts and Nevis. Ascentium applies its platform test: fewer than 50 staff and group revenue up to US$10 million.

Ascentium SME pricing

If your company, assessed together with any linked group companies, meets the official SME definition above, you qualify for Ascentium SME fares and the AI platform. Larger groups are served by Ascentium for Enterprise at ascentium.com.

5. Documents to gather
